The Automatic Payment Plan will help you in several ways:

- It saves time—fewer checks to write
- Helps meet your commitment in a convenient and timely manner—even if you're on vacation or out of town.
- No lost or misplaced statements, your payment is always on time—it helps maintain good credit
- It saves postage
- No late charges

Here's how the Automatic Payment Plan works:

- You authorize regularly scheduled payments to be made from your checking or savings account. Your payments will be made automatically on the **4th of each month**.
- Proof of payment will appear with your statement. You have two options for viewing your bill. 1) You can continue to receive your bill by mail 2) You can request paperless billing and can view your bill online. Choosing paperless will allow you to receive a \$2 bill credit each month.
- The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization.
- The Automatic Payment Plan is dependable, flexible, convenient and easy. To take advantage of this service, complete the attached authorization form and include it with your next payment with a copy of a cancelled or voided check.
